Full-stack Software
Developer

PROFILE

Hi there! I'm a dedicated and motivated professional who has always had a passion for technology. I've recently transitioned to a career in tech and completed an immersive full-stack web development bootcamp at Dev Academy Aotearoa. In addition to my technical skills, I possess strong problem-solving abilities, a growth mindset, and a desire to keep learning.

EXPERIENCE

TRAINEE-SOFTWARE DEVELOPMENT BOOTCAMP

Jan 2023 - April 2023

Dev Academy Aotearoa, Online

- Completed a 17-week immersive full-stack web development bootcamp, building team projects using agile approaches.
- Developed technical expertise in HTML5, CSS3, Typescript, JavaScript, Node.js, Express.js, React, Redux, Knex, SQLite3, and GitHub.
- Developed human skills such as nonviolent dialogue, communication, empathy, and wellbeing.
- Contributed to the creation of a Neopets-like software for my final group project, MagickalMenagerie, including front and back-end development and database management.

DISPATCH / FORKLIFT OPERATOR

April 2021 - Nov 2022

Zeafruit LTD

Zeafruit Gisborne is one of New Zealand's leading fresh produce marketers, combining orchard production, post-harvest facilities and direct sales to customers across New Zealand.

- Collaborated with team members to complete customer orders before deadlines.
- Provided customer service, responding to queries and organizing stock pickups.
- Demonstrated clear communication skills when relaying stock status to sales over the radio or phone.
- Developed strong problem-solving skills, locating missing stock and managing stock data.

BONING, FREEZER STORE SUPERVISOR/TEAM LEADER

Oct 2014 - Jun 2020

Ovation New Zealand Lamb

Ovation New Zealand Lamb Gisborne is an integrated Lamb sourcing, slaughter, processing, and exporting business striving to deliver consumers the world's best-quality lamb.

- Supervised a 12-person team in the freezer store, ensuring daily plans were executed efficiently.
- Demonstrated excellent communication skills by providing clear and succinct messages to sales teams when products were out of stock.
- Developed strong problem-solving skills, including identifying unusual stock movements and managing stock data.
- Maintained health and safety regulations and recorded daily reports.

ACHIEVEMENTS

- High School Prefect
- Freezer Store Supervisor

Thank you for your consideration. I look forward to discussing how I can contribute to your team.
